DuPont Nutrition & Biosciences Announces Nordmann Nordic AB as Personal Care Partner

Nordmann Nordic AB will serve as DuPont's channel partner in Iceland, Norway, Sweden, Finland, Denmark, Latvia, Lithuania and Estonia

WILMINGTON, Del., March 12, 2020 – DuPont Nutrition & Biosciences (N&B) has announced the selection of Nordmann Nordic AB as the new channel partner for personal care in Nordics. This region includes the following countries: Iceland, Norway, Sweden, Finland, Denmark, Latvia, Lithuania and Estonia. Nordmann Nordic AB will represent both DuPont™ GENENCARE®OSMS portfolio and the DuPont preservative portfolio for personal care.

The [GENENCARE®OSMS product line](#) contains a range of all-natural, 100 percent plant-based active ingredients – derived from sugar beets – that deliver benefits across skin, hair care and color cosmetics. This product range includes: GENENCARE®OSMS BA, GENENCARE®OSMS CC, GENENCARE®OSMS MI and GENENCARE®OSMS PRO.

DuPont preservatives include classical and naturally derived products under the trade name KATHON™CG and NEOLONE™. Nordmann Nordic AB will be the go-to supplier of these product portfolios across the region.

“Our aim is to give optimal service and provide a reliable supply to our customers, therefore we are continuously optimizing our network of channel partners in EMEA,” said Vincent Wortel, Sales Manager EMEA. “DuPont N&B has built a strong collaboration with Nordmann Nordic AB and we are thrilled to expand our collaboration.”

About Nordmann Nordic

With its headquarters in Solna, Nordmann Nordic AB is active in Sweden, Denmark, Norway, Finland, Iceland and the Baltic Countries. Further locations are Malmö and Helsinki, Finland. As a distributor of chemical raw materials and specialties, the company supplies specialty chemicals for personal care, health care, food, coatings, construction, plastics, rubber and electronics.
